

# Best fake ID for WA state

Best fake ID for WA state

No Personal Information

Do not post any of your or another personal information (picture, address, name, email etc) here. It will be removed the instant that we see it. Not only is it extremely unsafe, it is a violation of Reddit site wide rules.

Doxxing is defined as the posting of another person private or identifying information, especially with ill intent. Doxxing, Best Fake ID regardless of intent or target, is not permitted in the slightest on this sub or anywhere that connects with us.

Penalty: Bans with extreme prejudice

No Order Identifiers

Information that reference exact orders or lead to them are considered sensitive information and not allowed. Examples of prohibited order identifiers: exact order numbers, bitcoin addresses, transaction ids, tracking numbers, MTCN numbers. "Orders between 100 150" or "Order 20xx."

Addendum: Exact shipping dates for international vendors are also considered sensitive information and fall under this rule.

Penalty: Warnings and bans for repeat offenders

No Stealth Information

Comments and posts that compromise the OPSEC of a vendor are not allowed. Do not reveal vendors stealth shipping methods, Best Fake ID package descriptions, shipping origins, or any other information deemed sensitive. Shipping dates for

international vendors are also considered sensitive information and are not allowed.

Penalty: Warnings and bans for repeat offenders Any users claiming to be already present vendors, customer service representatives, or partners of vendors without verification are not allowed. You will be banned and your posts removed without warning.

Penalty: Bans that may be appealed through verification with the modteam All vendors advertising their services must be verified by the moderation team. Unverified vendor introduction posts, product previews (discussing production methods are allowed), Best Fake ID and all other forms of unverified advertisement are not allowed. They are avenues for doxxing and are difficult to control.

Penalty: Bans and possible vendor dismissals Moderators reserve the right to remove content or restrict users posting privileges as necessary if it is deemed detrimental to the subreddit or to the experience of others. Additionally, the moderators of this subreddit do not endorse the content posted on this subreddit. Make your own choices.
